**1 ) 1st (12 Days) -Tue,18-Feb-25: [ ]**

**2 ) 12 M (360 Days) -Fri,06-Feb-26: [ ]**

#### **PRECAUTIONS:**

This is a computer-generated document. No signature is required

01. Avoid driving the vehicle upto 72 hours from the time of application completed and avoid washing the vehicle for at least 5 to 7 days, so that coating/PPF might be matured.
02. Avoid non-professional washing; always use PH Balanced washes such as D110 hyper wash or D111 Shampoo Plus. Use top-branded car washing products only.
03. Avoid scratches while washing; use only soft and good quality microfiber for car wash.
04. To make it maintenance free, it is recommended to use top coat or bead booster every time the vehicle is washed, this will boost the surface shine and water beading effect.

#### **TERMS & CONDITIONS:**

01. Warranty is subject to maintenance only; the product we have applied/installed on your vehicle, the warranty of this product has been tested in foreign country, while the weather, climate, pollution level of our country is different, so that its warranty may vary subject to maintenance only.
02. Customers will enjoy our free services at our Car Detailing outlet(s) and they also can effectively experience OEM warranty from OEM; overall, cracking & peel-off of PPF is to be covered under standard warranty.
03. Free services to be provided at our Outlet/Detailing Centre only during the warranty period, customer is liable to drive the vehicle to our Outlet/Car Detailing Centre for availing free services; We will charge for additional works which are not covered under warranty/free service.

04. Free Service means; we have to wash the car to inspect the current condition of the product we have applied so that the appropriate treatment can be done; whereas if due to lack of maintenance or use of wrong cleaning agent or accident or re-paint the vehicle then customer has to pay for it.
05. 50% OFF on Products & Service Charges: Customers can enjoy up to 50% OFF on actual cost of products & service charges for replacement of PPF or re-coating damages caused due to accident or lack of maintenance. Pre-coating or pre-installation of PPF service charge (after discount) is Rs 2,000 per panel and the cost of the product will be extra according to the brand chosen by the customer.
06. Free services will not be extended, customer is liable to avail free services on time otherwise warranty will be void.
07. Free services will be void (except the first service) if any previous free service is not availed in a timely manner.

Note: Get PPF Maintenance Paid Services at Rs 5,000+; Garware Company has introduced a compound and sealant-based coating called Gloss-Booster for maintaining Paint Protection Film to prevent loss of gloss, yellowing, dullness, and hydrophobic effects. Garware Company recommends doing this maintenance 1 to 2 times in a year, or as required.
